SUPPORTING BUSINESSES THROUGHOUT THE UK

Projects & Change

Project Management, Business Transformation & Change

Helping businesses manage projects, navigate change and transform their workplaces. From initial planning to implementation, we coordinate people, budgets and delivery to keep your project on track and minimise disruption to day-to-day operations.

Project Management

- Project planning and scheduling
- Budget management and cost control
- Risk and issue management
- Supplier and contractor coordination
- Stakeholder communication
- Reporting and implementation

Office Fit-Outs & Staff Relocations

- Relocation planning and management
- Office refurbishments and fit-outs
- Staff relocations and workplace moves
- Supplier and contractor coordination
- Budget and programme management
- Communication and business continuity

Change Management

- Change planning and implementation
- Change impact assessments
- Employee communication and consultation
- Stakeholder engagement
- Changes to working practices
- Managing organisational transitions

Business & Workplace Transformation

- Business and operational improvements
- Workplace modernisation
- Hybrid and flexible working
- Integration following mergers
- Workplace consolidation
- Transition to new ways of working

Why work with us

We have over 30 years' experience across financial services and the public sector. Our work includes office fit-outs, staff relocations, and supporting organisational transformation.

Fully insured • ICO registered • Member of Association of Project Management

Let's discuss your project
